

4C Pedestal Mailboxes

continued on pages 25-27

4C PEDESTAL MAILBOXES

FRONT LOADING PRIVATE ACCESS

Made of heavy gauge aluminum and stainless steel hardware, Salsbury 3400 series 4C pedestal mailboxes are accessed from the front through one or two (2) easy opening master door panels. The durable and corrosion resistant units feature a powder coated finish available in six (6) contemporary colors. 4C pedestal mailboxes are available with standard mailbox doors (MB1) that are 13-1/4" W x 3-1/4" H and larger MB2 and MB3 mailbox doors - see door sizes on page 27. All pre-numbered mailbox doors include a heavy duty cam lock with a dust/rain shield and three (3) keys. A compartment equivalent to two (2) 3-1/4" high standard MB1 mailbox doors is used for outgoing mail collection and is labeled "Outgoing Mail". The outgoing mail compartment includes a weather protection flap and an 11-3/4" W x 3/4" H mail slot. 4C pedestal mailboxes include a matching pedestal and master commercial lock(s) and are available in configurations that are one door wide (single column) and two (2) doors wide (double column). Fully integrated and stand-alone parcel lockers are available in five (5) equivalent standard mailbox door heights (PL5 - 17-1/4" high) and six (6) equivalent standard mailbox door heights (PL6 - 20-3/4" high). The most popular height is the Salsbury maximum height 3416D-20 unit which features twenty (20) MB1 mailbox doors and two (2) fully integrated 15-1/2" high parcel lockers. Many other standard units in six (6) to fifteen (15) equivalent standard MB1 mailbox door heights are also available. 4C pedestal mailboxes are ideal when private centralized mail delivery is desired.

Volume Discount Pricing Available On-Line!

4C

Note: Salsbury 4C Pedestal Mailboxes include a U.S.P.S. approved 4C horizontal mailbox unit, a matching enclosure and pedestal and master commercial lock(s) for private access. For delivery of U.S. mail, contact your local postmaster for approval.
